Table 1.1 - Former Refining Area Remediation Management Unit

AOC Number	AOC Description	AOC Group	Figure #
AOC 9	Alkylation Unit (Sewer Line) - The Alkylation Unit process area contains 11 catch basins connected to piping from process neutralization tanks and stormwater runoff collection points.	Former Refining Area Remediation Management Unit	1.1
AOC 18	Dimersol Unit	Former Refining Area Remediation Management Unit	1.1
AOC-20a	T-1600A & T-1600B Transformers.	Former Refining Area Remediation Management Unit	1.1
AOC-20b	T510A & T510B Transformers.	Former Refining Area Remediation Management Unit	1.1
AOC-25	X-1950 and X-1950B- Alkylation Neutralization Basin	Former Refining Area Remediation Management Unit	1.1
AOC-26	D-1104 MEA Sump	Former Refining Area Remediation Management Unit	1.1
AOC-27	EADC Disposal Pit	Former Refining Area Remediation Management Unit	1.1
AOC-28	Cooling Water Tower	Former Refining Area Remediation Management Unit	1.1
AOC-30	Sulfur Pit	Former Refining Area Remediation Management Unit	1.1
AOC-31	Brine Pit	Former Refining Area Remediation Management Unit	1.1
AOC-32	X- 1951- SRU Neutralization Basin	Former Refining Area Remediation Management Unit	1.1
AOC-38	NH3 Truck Loading Rack/Ammonia Area	Former Refining Area Remediation Management Unit	1.1
AOC-39	EADC Truck Unloading Area	Former Refining Area Remediation Management Unit	1.1
AOC-40	Fresh Acid Unloading Area	Former Refining Area Remediation Management Unit	1.1
AOC-45	SRU Truck Unloading Area	Former Refining Area Remediation Management Unit	1.1
AOC-47	Bleach Truck Unloading Area	Former Refining Area Remediation Management Unit	1.1
AOC-58	Chemical Storage	Former Refining Area Remediation Management Unit	1.1
AOC-59	API Storage	Former Refining Area Remediation Management Unit	1.1
AOC-60	Avenue B Tankfield	Former Refining Area Remediation Management Unit	1.1
AOC-80	Former Crude Topping Unit	Former Refining Area Remediation Management Unit	1.1
AOC-88	Compressor Building	Former Refining Area Remediation Management Unit	1.1
AOC-89	Cracking Tower	Former Refining Area Remediation Management Unit	1.1
AOC-92	TK- 701A and TK-701B	Former Refining Area Remediation Management Unit	1.1
AOC-96	Boiler Area	Former Refining Area Remediation Management Unit	1.1
AOC-117	Diesel Powered Emergency Generator.	Former Refining Area Remediation Management Unit	1.1
